Projects

Quizeen

📅 Feb 2025 – Feb 2025
🔗 [Project Link](#)
Quizeen is a modern quiz-taking platform that enables users to create, take, and track quizzes seamlessly.

Anikii

📅 Jan 2025 – Feb 2025
🔗 [Project Link](#)
Anikii is a dynamic web platform that curates popular releases and content recommendations. The design embraces minimalism and clarity, echoing the philosophy behind its tagline, 'Genjitsu wa kantan' (Reality is simple). With a focus on delivering engaging and easily accessible content, the site creates a streamlined user experience for exploring trending and suggested media.
